<b>Course Title</b>	To Every Nation: A Study of 12 Missionaries
<b>Tutor's Name</b>	Amanda Young
<b>Class Description</b>	In this class we will be reading about 12 missionaries that have had a huge impact on our world. These missionaries are Hudson Taylor, Gladys Alyward, Eric Liddell, Corrie Ten Boom, George Muller, Nate Saint, Elisabeth Elliot, David Livingstone, Mary Slessor, Amy Carmichael, William Carey and Adonirain Judson. These books are by: Christian Hero's: Then and Now. We will be reading a book every 3 weeks, so make sure your student is willing to read 4-5 chapters per week as homework assignments and we will be doing some scripture memory also. Each student will need a copy of each of these books. You can either buy one at a time as we go through each one or all together. The first book we will be reading is Hudson Taylor, so they will need that one for the first day of class. You can find these books on Amazon brand new for \$10.00 or find them cheaper used on various sites. I'm so looking forward to learning about all these wonderful missionaries with this class!
