

Class Creation

Course Title	Drama
Grade Level	7-12
Tutor's Name	Bonnie McKinley, Ron Townsend, Kellie Welch
Tutor's E-mail	agapeplayersdrama@gmail.com

Class Description

Through this class, kids will learn dance, and work on singing and acting skills while putting together two complete musical productions. Rehearsals are designed to provide theater training and develop self-esteem, discipline and creativity. We will perform one show in December and another show in the spring. We will also participate in the Agape's Got Talent show.

Homework consists of practicing all dance, music, and lines at home. Lines and songs must be memorized by the off book date assigned. Students are required to attend rehearsals, the entire tech week leading up to the show weekend, and all performances. They must also be available for strike/clean up after each show. A full schedule will be sent over the summer.

We strive to involve the juniors and seniors in all areas of production and mentor them through the process of putting on a show.

Parent involvement is also a must. Each family is asked to sign up for a volunteer position (such as props, costumes, sets, etc.) and participate in Agape Players Drama group fall and spring fundraisers.

Text/Materials

Scripts will be provided.

Class Fee (and how is it used)	\$150 for the first student and \$135 for each additional student for the full year. \$75/student will be due by July 1st so we can purchase the license for the Christmas show and the remaining balance will be due November 1st. This fee is used for licensing the show, costumes, sets, props, and sound equipment. We may ask for you to provide basic costumes pieces from stuff you have at home.
