

Grade Level	9-12
Course Title	Yearbook
Tutor's Name	Kellie Welch
Class Description	<p>The yearbook class is responsible for producing a quality yearbook for all grades. Good time management is necessary as there is a fair amount of independent work outside of class. The yearbook class can be considered as an art, computer, or elective credit towards the state high school requirements. The yearbook can only be successful if we have students who are focused and willing to participate as a team to create a quality book.</p>
