<b>Course Title</b>	Learning Through Stories and Crafts
<b>Tutor's Name</b>	Amanda Young, LeAnn Godderz
<b>Tutor's E-mail</b>	amandayoung75@gmail.com
<b>Class Description</b>	In this class we will be exploring some science and social studies through the Southwestern Book Series "Ask Me". We will also be using story books as well. Every week we will be doing a craft or coloring pages related to what we are reading to the children on that day. We will also do science experiments from time to time with the children. Come join the fun!
<b>Text/Materials</b>	Each child will need their own set of crayons, glue stick, scissors, pencil, pencil sharpener, water paints, folder and something to put supplies in. Occasionally, children may be asked to bring something else in like a paper bag, newspaper, etc., in that case parents will be notified by email.
