Class Description	<p>Reading the Bible is essential for Christian growth. Actually SEEING and being familiar with the places mentioned helps with that tremendously.</p> <p>In this class, we'll view a number of videos from the "That the World May Know" series.</p> <p>Each episode is filmed on location in Israel and surrounding regions so we can see for ourselves what the locations mentioned in the Bible look like. They are hosted by Holy Land expert, Ray Vander Laan, who always uses the unique locations to teach a "faith lesson."</p> <p>From the website: "Ray's preaching and teaching ministry is focused on understanding the Bible in light of the historical and cultural context in which God placed it. This perspective on the Bible highlights God's call for His people to be a transforming influence on their culture. He uses research of the top scholars in the fields of archaeology, history, and Biblical study as tools to explore the Biblical text ever more deeply. His gifts, expertise, and calling are to link that cultural information and the Bible so that its message applies to our lives today in very practical ways."</p> <p>Each class we'll watch an episode and discuss how we can apply the truths we learned from the Scriptures into our everyday lives today.</p>
