<b>Course Title</b>	Integrity Matters - Character Quality Study
<b>Tutor's Name</b>	Darnela Kenton
<b>Tutor's E-mail</b>	sophiaberea@gmail.com
<b>Class Description</b>	<p>Help students explore, understand as well as develop the character qualities that will please God and enable them to live in the world but not be in the world as they fulfill the purpose in which God has called them. We will use the Book of Proverbs as our main text as we explore 49 character qualities as they relate to various individuals from both biblical times and throughout history including today.</p> <p>The aim is to demonstrate that Integrity and Biblical truths about our character are timeless and matter by examining the strengths and accomplishments; weaknesses and mistakes; and life lessons of various individuals throughout history. Students will take a personal inventory of where they are with respect to each character quality using the same framework.</p> <p>Also there will be service learning opportunities where we will partner with 1269 Cafe Ministries and Joni &amp; Friends, to name a few, to do at least 2-3 outreach field trips where our character qualities will be put to use and to the test.</p>
