

Course Title Mapping the World With Art

Grade Level 7-8

Tutor's Name Megan Lee

Tutor's E-mail meglee22@gmail.com

Class Description

This class will explore geography through step-by-step drawing of regions of the world using Ellen McHenry's "Mapping the World with Art" curriculum. Weekly videos will lead us through drawing countries with their distinct landforms and weekly readings will highlight history and information about maps and cultures.

Classtime will primarily be walking the students through drawing maps and discussing the reading.

Text/Materials

Students will be required to have purchased a copy of the curriculum for this class to have the videos/step by step instructions to finish any assignments at home. It can be printed out at the student/parent's choice.
