

Grade Level	3rd-5th
Course Title	Creative Writing with Lego Building
Tutor's Name	Mrs. Danita Thibeault
Tutor's E-mail	mrsthomeschoolteacher@gmail.com
Class Description	<p>The concept behind this class is to encourage students to engage their imaginations while building worlds and bringing those stories to life in written form. The focus of their writing will not be on grammar, although that will be promoted. The idea is for the students to show that they can have fun writing when it pertains to their interests. Each Lego build will have a theme, and their Lego designs and stories have to relate to those themes. Each week some of the students will be sharing their stories and showing their creations. I will take pictures and attach them to each composition in their binders.</p> <p>Please NOTE: In order for me to be able to teach your students, I need the moms to take turns helping watch my (will be in the fall) 4-year-old son. There will be a signup at the beginning of the year according to what works best. Thank you.</p>
Text/Materials	<p>No text, but each student will need to have their own set of Legos with which to build. It would be best if they had a bucket of about 100 (or more) of varying sizes and colors. Not mandatory, but highly encouraged for them to have their own Lego platform/board to build on so it will be easier for them to transport their creations to and from class. Additionally, they will need a Binder, packet of loose leaf (college ruled) paper, and a set of dividers.</p>
Class Fee (how is it used)	\$5 for printing pictures throughout the class
Prerequisites	In order for me to be able to teach your students, I need the moms to take turns helping watch my (will be in the fall) 4-year-old son. There will be a signup at the beginning of the year according to what works best. Thank you.
Class Limit	10
Semester	Both Semesters
